¹ "International" - International student headcounts are based only on the student visa permit category of U.S. Nonresidents (i.e. excluding naturalized U.S. citizens and permanent residents). IA international student reporting is based on guidelines from the federal Integrated Postsecondary Education Data System (IPEDS). As of Fall 2022, students who qualify for the Deferred Action for Childhood Arrival (DACA) program will be reported under their self-identified ethnicity. This is in contrast to prior years, when a subset of individuals who qualified for DACA were instead reported in International headcounts. The results will be a small increase in reported headcounts of Hispanic/Latino, Black/African American, and Asian students, and a corresponding small decrease in the reported headcounts of International persons.

² "Students of Color" - Hispanic, African American, Asian, American Indian

³ "Underrepresented Students of Color" - All Students of Color less Asian
