KEY TAKEAWAYS

- IU remains a strong option for Hoosiers
 - Largest incoming class, and strong resident numbers
 - IU provides instruction to nearly half of all Hoosiers in public, 4-yr. institutions, and more than any other university
- Growth in diversity reflects the changing composition of the state
 - Record minority representation in number and proportion
- Online remains in growth mode
- Several regional campuses continue to be challenged by the strong economy and increased competition for fewer HS grads.
