KEY TAKEAWAYS

• IU remains a strong option for Hoosiers
  • Largest incoming class, and strong resident numbers
  • IU provides instruction to nearly half of all Hoosiers in public, 4-yr. institutions, and more than any other university

• Growth in diversity reflects the changing composition of the state
  • Record minority representation in number and proportion

• Online remains in growth mode

• Several regional campuses continue to be challenged by the strong economy and increased competition for fewer HS grads.
