Overview

Academic Libraries Overview

Welcome to the IPEDS Academic Libraries (AL) survey component. The purpose of the AL component of IPEDS is to collect information on library collections, library expenses, and library services for libraries in degree-granting postsecondary institutions.

Recent changes

There are no changes to the 2018-19 Academic Libraries component from the 2017-18 collection. Visit the Academic Libraries Resource page for additional reporting resources.

Data Reporting Reminders

Report all data for fiscal year (FY) 2018. Fiscal Year 2018 is defined as the most recent 12-month period that ends before October 1, 2018, that corresponds to the institution's fiscal year.

Coverage

Include data for the main or central academic library and all branch and independent libraries that were open all or part of the Fiscal Year 2018. Branch and independent libraries are defined as auxiliary library service outlets with quarters separate from the central library that houses the basic collection. The central library administers the branches. Libraries on branch campuses that have separate IPEDS unit identification numbers are reported as separate libraries.
