Institutional Characteristics Overview

Welcome to the Institutional Characteristics (IC) component. This component collects important information about your institution's mission, admissions, student services, and student charges.

Much of the data reported on IC appear on College Navigator. **Please report data correctly, as College Navigator is only updated one time after IC data have been reviewed, so errors may stay on the website for a full year.**

Additionally, the cost of attendance data are used to calculate the net price of attendance in the Student Financial Aid component. This has important implications for what students see about your institution, and also for the College Affordability and Transparency lists.

Remember, **it is the responsibility of the keyholder to provide NCES with accurate data about the institution**. Please never hesitate to call the IPEDS Help Desk and ask for help to make sure that you are reporting correctly!

Changes to This Year's Institutional Characteristics Component:

- **The prior year revision system for Institutional Characteristics is available ONLY for admissions data. Changes to cost can ONLY be made in the Student Financial Aid component.**

Reviews of the IC component data indicate a number of places where many people make errors. Please review the common errors listed below to ensure your institution does not make any reporting errors which may affect your institution's appearance to students and others.

- **Question 2 should only be marked 'YES' if your institution is EXCLUSIVELY distance education. Do not mark 'YES' if your courses/programs are also available in person.**
- **Do not try to outsmart fatal errors; this is falsifying data. Contact the Help Desk if you need an override, or fix the data.**
- **Make sure you understand ALL definitions before responding to questions. For example, understand what it means to be 'OPEN ADMISSION' before indicating whether your institution is or is not 'OPEN ADMISSION' and make sure that you are reporting for an 'ACADEMIC YEAR' or 'PROGRAM' as defined by IPEDS.**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the Data Center and sent to your institution's CEO in November 2014.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
