## Overview

### IPEDS Student Financial Aid Component Overview Public Academic Reporters

Welcome to the Student Financial Aid (SFA) component. The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students and military/veteran educational benefits for all students at your institution.

#### Changes to This Year's SFA Component

- New questions on military/veteran/eligible dependent students receiving benefits have been added. Total number and amount will be asked for both undergraduate and graduate students. Please work with your institutional representative who certifies such benefits. They may not be associated with the student financial aid office.

#### Data Reporting Reminders

##### Undergraduate Student Groups

You will be asked to report information for different groups of students.

- **Group 1:** All undergraduate students
- **Group 2:** Of Group 1, full-time, first-time degree/certificate-seeking students
- **Group 3:** Of Group 2, students who paid the in-state/in-district tuition rate and were awarded any grant/scholarship aid from the federal government, state/local government, or the institution
- **Group 4:** Of Group 2, students who paid the in-state/in-district tuition rate and were awarded any Title IV federal student aid

##### COA Revisions

Revisions to Cost of Attendance used to calculate the net price of attendance can be made in this component.

Consult the instructions and screens to make sure you are reporting the correct aid amounts for the correct groups of students.

##### College Affordability and Transparency Lists

Net price amounts calculated in SFA will be used to populate the Department's College Affordability and Transparency lists.

##### Interactive Edits and Error Messages

SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at 1-877-225-2568 for resolution.

##### Context Boxes

You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.

**Section 1: Comparison Chart****Comparison Chart**

Based on the information reported on the previous screens for Group 1 (all undergraduates) and Group 2 (full-time, first-time degree/certificate-seeking undergraduates), this comparison chart seeks to help institutions check their reported data. Assuming that the information on Groups 1 and 2 are correct, then the calculated fields for 'All Other Undergraduates' should be the balance (Group 1 minus Group 2). If the balance does not check with your institution's calculations, please correct your reported numbers for Groups 1 and 2 before moving forward with the completion of the SFA survey component.

**Note:** Data for the 'All Other Undergraduates' will appear in the IPEDS Data Center for data users, but not in College Navigator.

No

 You may use the space below to provide context for these data. These context notes may be posted on the College Navigator website and should be written to be understood by students and parents.

Room and board and other non-tuition expense estimates decreased in 2013-14 by using a more moderate cost estimate methodology. As a result, there was a decrease in the average net price from 2012-13 to 2013-14.

**Summary****IPEDS Student Financial Aid (SFA) Survey Summary**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. **Screen: Part C, Page 2 - Enter Information about Group 2**

Screen Entry	The average amount of this type of aid awarded to Group 2 students is outside the expected range of between 5,943 and 8,913 when compared with the prior year value. Please check the number of students and the total amount of aid awarded to these students, and correct or explain the discrepant values. (Error #7147)	Explanation	Yes	
--------------	---	-------------	-----	--

Reason: The amount and count have been verified. The small number of recipients and the variability in private loan eligibility allow for large variances in year-to-year figures for this item.

**Screen: Part E - Enter Information about Group 4**

Screen Entry	The calculated average amount of grant or scholarship aid awarded to Group 4 students from the federal government, state/local government, or the institution for this income level is smaller than expected in comparison with the other income levels. Please check the values reported for the number of these students who were awarded any Title IV aid (Col. 1) and the total amount of grant or scholarship aid awarded to them (Col. 3) and correct your data or explain the discrepancy. (Error #7317)	Explanation	Yes	
--------------	---	-------------	-----	--

Reason: The counts and amount were verified in the 2011-12 survey.
